

High Class Puppies General Health Guarantee

This puppy is guaranteed to come to you in excellent health. The guarantee is valid for 1 year after the date that the Buyer takes possession of the puppy. A health record of first shots and de-wormings as well as a record of this puppy's health exam will be provided to you at time of purchase. The buyer agrees to take the dog to a licensed veterinarian of his/her choice within 72 hours of purchasing/receiving the puppy for a physical examination and to notify the seller within 48 hours of that appointment of any medical concerns. The Buyer agrees that failure to do so will void this Health Guarantee. Should the Buyer's vet determine this puppy to be in ill health at this initial visit, the dog may, upon signed written diagnosis from said veterinarian, be returned for a full refund less any shipping costs. This does not cover parasites. Even though our pups are de-wormed regularly starting at 4 weeks, it is imperative that the Buyer keeps the puppy/dog on a monthly de-wormer as puppies and dog will inevitably come in contact with intestinal parasites through their environment.

The buyer understands that the Seller does not guarantee against any overbite or underbite, umbilical hernia, or minor genetic or health problem, other than those mentioned on the health guarantee. The Buyer further understands and agrees the Seller is NOT RESPONSIBLE for any vet bills or surgery while the puppy is in buyer's possession. To receive a refund; a copy of a licensed Veterinarian's written report on the genetic health problem along with any accompanying test results or X-rays must be provided. We reserve the right to have tests and/or X-rays performed by a specialist at our expense.

I/We the Buyer, certify that I/We have read the health guarantee, understand its contents and I/We hereby agree.
